

Dear Lesley

This is your E-ticket/Confirmation for the below itinerary. Please review and inform us of any changes immediately or charges may apply for any amendments

#### Entry Requirements

As Covid restrictions end around the world, there are still countries with restrictions or entry requirements (such as pre-departure tests) that you must adhere to in order to travel without any issues.

While we can assist you in ensuring you have the correct information at time of booking, we urge all travellers to check their eligibility to travel to their booked destination on the day of departure to ensure their safe entry into the arrival country. You can check up-to-the minute restrictions [\[here\]](#)

#### Visas & Passports

If you need assistance with obtaining a visa, we have partnered with global experts, CIBT. You can quickly and easily apply for your visa via their online tool <https://cibtvisas.com/diversity-global-portal>

#### Masks

Although mask restrictions are ending around the world, many airlines still require you to wear a mask for the duration of your flight. Please check with your booked carrier before departure.

Your dedicated reservations team can assist you, should you have any questions or concerns about your travel plans.
